

LIGHTING SYSTEMS

LIGHTING SET FOR BATHS

- more of a bathing experience thanks to atmospheric lighting effects
- combines white and coloured spectral light in one set
- The colour cycle can be stopped at any colour by pressing and holding the button.
- set comprises one LED spotlight, one control with mains cable and one keyboard
- simple to install in bath with hole (not preassembled in factory)

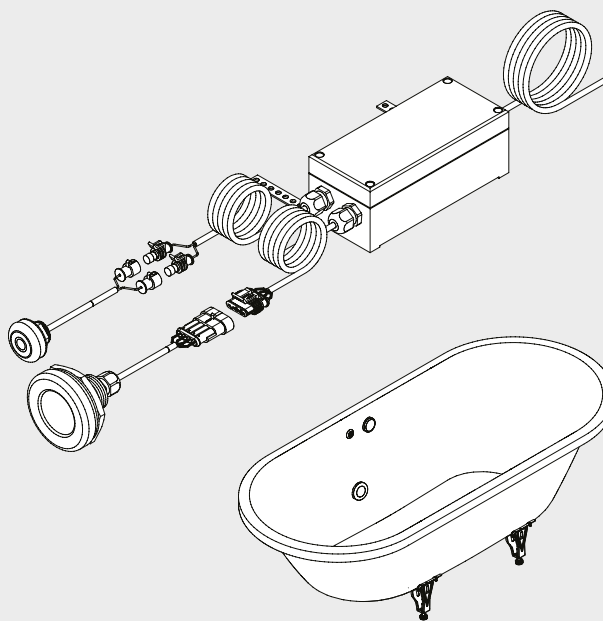

CAUTION! Special bath design required. For lighting set mounting, a special bath hole (standard positioning) is to be provided, which is included into the accessory price. Lighting set should be ordered with the corresponding bath in one step.
